

City of Loma Linda Official Report

Floyd Petersen, Mayor
Stan Brauer, Mayor pro tempore
Robert Christman, Councilmember
Robert Ziprick, Councilmember
Charles Umeda, Councilmember

COUNCIL AGENDA: September 27, 2005

TO: City Council

VIA: Dennis R. Halloway, City Manager 

FROM: T. Jarb Thaipejr, Public Works Director/City Engineer 

SUBJECT: Award Contract for Professional Engineering Services to Design a Water Transmission Pipeline at Sierra Vista Drive

RECOMMENDATION:

It is recommended that the City Council award a contract to Engineering Resources of Southern California, Inc. in the amount of \$23,588 to design a waterline at Sierra Vista Drive.

BACKGROUND:

The existing main waterline servicing homes in the Sierra Vista Drive area south of Barton Road has experienced numerous leaks recently. The waterline, installed prior to City incorporation, crosses several private properties and is under current minimum size.

ANALYSIS:

A Request for Proposal (RFP) was prepared and sent to five local engineering firms. The request was for providing the City with plans, specifications and cost estimate to construct this project. Three proposals were received and evaluated. Engineering Resources of Southern California, Inc. has provided similar services to the City in the past. Their work has been both timely and adequate.

FINANCIAL IMPACT:

Funding will be provided from account 65-7010-8500, Water Enterprise Fund and account 38-7200-8500, Water Acquisition Fund. Both accounts have \$135,000 available.
